

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Nonmelanoma Skin Cancers: Treatment options

Presenter The Nursing CPD Institute

At the end of this session you will:

- Relate prevalence of skin cancer to nursing assessments
- Recognise skin cancer presentations
- Consider client support and education for treatments
- Promote skin cancer prevention strategies

Completed on

28 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

The prevalence of skin cancer means we need to be skilled and vigilant in our skin assessments. Understanding the treatment options and potential interventions the client will experience can give direction to our education and support strategies.

Cheryl Dezotti

Director of the Nursing CPD Institute
