

## *Certificate of Completion*

THIS CERTIFIES THAT  
***CALEB FELLOWES***

has participated in the following education session:

### **Laser and IPL Clinical Governance**

Presenter Elissa O'Keefe

Director of Bravura Education of Bravura

At the end of the session the participant will:

- Know how to access Standard 4173: 2018 Laser and intense light sources in health care and the importance of having a copy in their clinical setting
- Understand the key mandatory undertakings within the new standards
- Have a framework for developing a laser safety plan and SOPP
- Have an understanding of the elements of a laser safety audit

Completed on

**23 April 2019 (duration of 1 hour/s)**

**This equates to 1 CPD Hour/s (Continuing Professional Development)**

#### REFLECTION:

This webinar will examine the new laser and IPL Standard for Australia and New Zealand and focus on what is new within them. It will take the participant through some of the clinical governance issues that are needed to comply with the standard including laser safety plans, standard operating policy and procedure (SOPP) and audit. It is appropriate for any nurse working with lasers and/or intense pulsed light systems.
