

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

What drugs can lead to addiction and what strategies are available to manage same

Presenter Christopher Hawe
Pharmacist of Coral Coast Pharmacies

In this session you will:

- Gain an understanding of the common medications used in the community that can lead to addiction
- Explore the concept of abuse
- Define strategies that can assist the client and the greater community in managing the issue of medication abuse
- Reflect on the care and education needs of your client

Completed on
13 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

In this session, we will discuss the concept of drug abuse and identify medications that can lead to addiction and what health professionals can do to mitigate the same.
