**22 April 2019 (duration of 1 hour/s)**

**This equates to 1 CPD Hour/s (Continuing Professional Development)**

### REFLECTION:

Nurses are required to participate in workplace Fire and Emergency Procedures. Whilst organisations have policies and procedures that are specific to their unique geographical footprint and resources, there are common practices that all Nurses should be familiar with. This session reviews practical reminders of key roles and tasks to be performed in emergency situations.
