CALEB FELLOWES

has participated in the following education session:

Borderline Personality Disorder

Presenter The Nursing CPD Institute

In this session you will:

- Gain an understanding of what it is like for a person living with Borderline Personality Disorder
- Acquire knowledge regarding the difference between Bipolar Disorder and Borderline Personality Disorder
- Receive information regarding the diagnosis of Borderline Personality Disorder
- Gain an awareness of the recommended treatment options for Borderline Personality Disorder

Completed on

21 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

The diagnosis and treatment of Borderline Personality Disorder can be difficult and complex. With the disorder 'mimicking' several other disorders, sufferers are often left waiting for a correct diagnosis for many years.

In this session, you will gain an understanding of the complexities involved in diagnosing and treating a person with Borderline Personality Disorder as well as the difference between Bipolar Disorder and the treatments that are most effective in treating Borderline Personality Disorder today.
