

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Spinal Cord Injury Acute Management

Presenter The Nursing CPD Institute

At the end of this session you will:

- Relate physiological risks to management strategies
- Understand the terminology applied to spinal injury
- Recognise the signs and symptoms of acute SCI
- Understand rationale for nursing strategies and care

Completed on

27 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

Based on the Royal Children's Hospital clinical guidelines, this quiz provides an opportunity to update and review treatment and skills essential for limiting and improving spinal injuries. Although the guideline is directed towards care of the child, strategies and clinical approaches are transferable to care of the adult patients with spinal cord injuries.

Cheryl Dezotti

Director of the Nursing CPD Institute

Certificate #266226 issued by the
