

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Managing Patient Expectations - Fertility Treatment

Presenter Denise Donati

Nurse Specialist of Fertility Solutions

In this session you will:

- Gain an understanding of the emotional implications of fertility treatment for both patients and staff
- Review the issues that impact on clients
- Revise the emotional impact for staff
- Reflect on your own practice and interaction with this client group

Completed on

17 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

Fertility treatments can take its toll on patients and the staff caring from them. In this session, we will discuss the issues that impact on both the patient and the nursing staff caring for them. The focus will be on the emotional issues surrounding fertility treatment that will allow nursing staff to reflect on how best to support the patient and each other.
