

Australian Nursing & Midwifery Federation
Continuing Professional Education

This is to certify that

Caleb Fellowes

completed an online educational tutorial and assessment with the

Australian Nursing and Midwifery Federation

on 12th December, 2020

Advanced Documentation

Describe what documentation comprises and entails; list and understand the purposes; identify different forms; describe the legal and professional requirements; identify where it may be used to plan an episode of care; during care and after an episode of care; understanding of types of documentation; distinguish between the mechanics of electronic and hard copy medical records; determine when notes by exception are appropriate; describe the difference between objective and subjective information; explain why an example of documentation is inappropriate or not legally compliant; and gain familiarity with cases where inadequate or incomplete documentation was criticised or resulted in negative outcomes for nurses, midwives, and organisations.
