

# *Certificate of Completion*

THIS CERTIFIES THAT  
***CALEB FELLOWES***

has participated in the following education session:

## **The Key Factors in Wound Product Selection**

Presenter Cheryl Dezotti

Nurse Education Specialist of The Nursing CPD Institute

In this session you will:

- Gain an understanding of the key nursing assessment considerations that should underpin product selection
- Receive an overview of key categories of wound care products currently on the market
- Determine how to quickly identify an appropriate wound product when all assessment data is not available
- Review practical nursing tips to consider when making decisions on wound product selection

Completed on

**23 April 2019 (duration of 1 hour/s)**

**This equates to 1 CPD Hour/s (Continuing Professional Development)**

### REFLECTION:

With over 3000 wound care products on the market it is important to understand the key factors that should be considered when selecting a wound care product.
