Australian Nursing & Midwifery Federation
Continuing Professional Education

This is to certify that

Caleb Fellowes

completed an online educational tutorial and assessment with the

Australian Nursing and Midwifery Federation

on 20th December, 2020

Fundamentals of Documentation

If it's not documented, it wasn't done' - this course will help improve your understanding of the required components and purpose of documentation in healthcare.

List the purposes of healthcare documentation.
Describe the legal and professional requirements of documentation.
Identify where documentation may be used during and after the completion of an episode of care.
Have a greater understanding of types of documentation nurses, midwives, and carers may use.
