

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Atrial Fibrillation

Presenter The Nursing CPD Institute

In this session you will:

- Learn the definition for Atrial Fibrillation (AF)
- Gain an understanding of the pathophysiology of Atrial Fibrillation
- Receive information regarding the signs and symptoms of Atrial Fibrillation
- Gain an understanding of the treatment options for Atrial Fibrillation including medication and cardioversion

Completed on

04 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

Atrial fibrillation (AF) is estimated to affect 1%-2% of the population. It is increasing in prevalence and is associated with excess mortality, considerable morbidity and hospitalisations. AF is responsible for a significant and growing societal financial burden.

Cheryl Dezotti
