

## *Certificate of Completion*

THIS CERTIFIES THAT  
***CALEB FELLOWES***

has participated in the following education session:

### **Strategies to facilitate a “Good Death” for residents living in residential aged care**

Presenter Kristien McAnelly

Registered Nurse of Brisbane South Palliative Care Collaborative

- Increase your clinical knowledge about the signs and symptoms indicating that a resident may be approaching the terminal phase of life.
- Enhance your understanding about the evidence-based management of common end of life symptoms experienced by residents
- Increase your understanding of how to identify and address the end of life concerns of residents (and their families)

Completed on

**20 April 2019 (duration of 1 hour/s)**

**This equates to 1 CPD Hour/s (Continuing Professional Development)**

#### REFLECTION:

In this session, we will review the concept of a "good death" and the clinical strategies that can be employed to achieve the best possible result for the aged resident.
