

## *Certificate of Completion*

THIS CERTIFIES THAT  
**CALEB FELLOWES**

has participated in the following education session:

### **Ethical Issues in the Breast Feeding and Bed Sharing Debate**

Presenter Assoc. Prof. Cathy Fetherston

Associate Dean Learning & Teaching School of Health Professions of Murdoch  
University Western Australia

In this session you will:

- Gain an understanding of the debate surrounding mothers sharing a bed with their infants during sleep
- Review a six step framework for analysing potential ethical tensions in public health policy
- Revise evidence base, utility, effectiveness, fairness, accountability, cost and burdens and community acceptance of the current policy
- Examine a position for change that meets the needs of everyone in the community.

Completed on

**17 April 2019 (duration of 1 hour/s)**

**This equates to 1 CPD Hour/s (Continuing Professional Development)**

#### REFLECTION:

Public health policy advising mothers against sharing a bed with their infants during sleep (bedsharing) has sparked heated debate. This presentation examines the issues using a six-step framework for analysing potential ethical tensions in public health policy and looks at the evidence base, utility, effectiveness, fairness, accountability, cost and burdens and community acceptance of the current policy to construct a position for change, that meets the needs of everyone in the community.
