Continuing Professional Education

This is to certify that

Caleb Fellowes

completed an online educational tutorial and assessment with the

Australian Nursing and Midwifery Federation

on 12th December, 2020

Anaphylaxis

Knowledge and skills gained: describe anaphylaxis and how it is diagnosed, identify common causes, explain how anaphylaxis can lead to shock, explain differential diagnoses of anaphylaxis, identify different types of hypersensitivity reactions, identify risk factors and cofactors for anaphylaxis, describe emergency management and the role of adrenaline in anaphylaxis management, and describe ongoing and long term management and the importance of education.
