

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Mandatory and Voluntary Reporting - when to notify

Presenter Dr Pam Savage

Nurse Education Specialist of The Nursing CPD Institute

In this session you will:

- Understand the absolute requirements for mandatory reporting for the nursing profession.
- Relate the legislative requirements for reporting children at risk and what those risks are.
- Explain the sanctions that may be imposed for failing to report legally required information.
- Discuss the protection the law provides for reporters and in what circumstances.

Completed on

05 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

The requirement for mandatory reporting exists in various legislation. Certainly, there are professional obligations imposed on registered nurses by their profession. However, there are other areas that relate to nursing that have legal requirements to notify.
