

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Patient Care and Autism Spectrum Disorder - Establishing Solid Relationship Foundations

Presenter Nelle Frances

Author, Director, Trainer of Aspergers Child

In this session you will:

- Gain a working knowledge of the characteristics of ASD
- Review briefly the neurology, biology and cognitive processes of individuals with ASD
- Be provided with anecdotal examples to help make "the pieces fit"
- Explore an overview of the Meltdown process as well as assessment and treatment strategies specific to ASD clients

Completed on

25 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

This webinar offers an overview of the characteristics of ASD, expanded to include the subtle intricacies of the condition, and useful strategies for successful engagement with ASD individuals, across a range of ages and Health Care environments. The session has a strong focus on the Sensory Processing difficulties experienced by those with ASD and the impact of sensory issues on behaviour.

Cheryl Dezotti

Director of the Nursing CPD Institute
