

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

National Inpatient Medication Chart

Presenter The Nursing CPD Institute

In this session you will:

- Gain an overview of the rationale for the establishment of Standardised Medication Charts in Australia
- Acquire knowledge regarding the mandatory chart sections that can not be altered
- Receive information regarding the process to follow when using the National Inpatient Medication Chart
- Gain an awareness of practices that will decrease the risk of Medication associated adverse outcomes for clients

Completed on

22 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

The Australian Commission on Quality and Safety in Healthcare maintain the, national inpatient medication charts to support the delivery of appropriate care for hospitalised patients. Healthcare professionals are advised to use clinical discretion and consideration of the circumstances for individual patients when using the charts for patient medication management in acute care settings'.
