THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

The Right to Refuse vs Professional Recognition of Risk

Presenter Dr Pam Savage

Nurse Education Specialist of The Nursing CPD Institute

In this session you will:

- Explore issues of consent and refusal to consent
- Consider the elements of negligence in relation to risk
- Acknowledge the dilemmas created by patient refusal
- Discuss strategies to balance patient rights and professional obligations

Completed on

05 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

While we understand the absolute need for client consent, when faced with a refusal to consent we experience anxiety. The ethical and legal considerations for the client may not lessen our own anxiety given our knowledge that there are increased risks in providing our care.
