

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Let's Talk About Sex...(baby)

Presenter Narelle Higson

Occupational Therapy Specialist Program of The Multiple Sclerosis Society of WA (Inc.)

In this session you will:

- Receive an overview of sexuality, disability and aging
- Gain information regarding common sexual concerns that are encountered by individuals with a disability
- Learn about a variety of different tools that can be accessed and effective for those with a disability
- Receive information about valuable resources to access to support those clients with a disability and their sexuality

Completed on

17 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

Sexual changes and concerns as a result of illness, disability or ageing are rarely addressed adequately in healthcare and community care settings. This presentation will outline some of the factors responsible for the difficulties in assisting patients to address sexual concerns. It will also provide helpful strategies and detail resources that may assist in developing a truly person-centered approach to care in which sexuality and sexual rights are supported and respected.
