has participated in the following education session:

Colonoscopy Clinical Care Standard

Presenter The Nursing CPD Institute

In this session you will: Gain an understanding of the Colonoscopy Clinical Care Standard. Acquire knowledge regarding the preventative strategies that should be employed to reduce adverse events during colonoscopy procedures. Receive information regarding the current recommendations for bowel preparation for colonoscopy preparation. Gain an awareness of the requirements for informed consent in patients undergoing colonoscopy.

Completed on

21 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

The use of standard clinical care for colonoscopy is aimed at reducing adverse events, reducing unnecessary procedures and improving the patient experience. The Australian Commission on Safety and Quality in Healthcare recently updated the Colonoscopy Clinical Care Standard and forms the basis for this CPD activity.
