Australian Nursing & Midwifery Federation
Continuing Professional Education

This is to certify that

Caleb Fellowes

completed an online educational tutorial and assessment with the

Australian Nursing and Midwifery Federation

on 21st December, 2020

Mandatory Reporting

Mandatory reporting is a legal requirement that designated types of information acquired by professionals or institutions in the course of their work be reported to appropriate authorities.

An understanding of notifiable conduct by registered health practitioners; what it is, how to make a notification and the process that follows;

An understanding of mandatory reporting and legislative requirements for suspected cases of child abuse and neglect; what to report and how to report in your state or territory;
