THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Pain Assessment and Management in the Elderly

Presenter Kristien McAnelly

Registered Nurse of Brisbane South Palliative Care Collaborative

In this session you will:

- Increase your awareness about the causes of pain experienced by the elderly and the importance of conducting a comprehensive pain assessment
- Increase your clinical knowledge about how to use specific evidence-based pain assessment tools
- Increase your clinical knowledge about current medications to manage pain experienced by the elderly
- Increase your knowledge about evidence-based non-pharmacological strategies to manage pain experienced by the elderly

Completed on

24 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

In this session, we will discuss pain assessment in the elderly patient.
