

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

**The difference between Delirium, Depression, and Dementia -
implications for care delivery**

Presenter Sue Walker

Nurse Consultant of The Nursing CPD Institute

In this session you will:

- Gain an understanding of the difference between delirium, dementia, and depression
- Review the implications for the person if the difference is not identified
- Explore the symptoms of the conditions and the implications for care delivery
- Revise the assessment tools available for use

Completed on

24 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

In this session, we will discuss the difference between Delirium, Depression, and Dementia highlighting the issues where identification may be complex and the problems that can occur.

Cheryl Dezotti

Director of the Nursing CPD Institute
