

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

HIV, Viral Hepatitis & STI's - Part A

Presenter The Nursing CPD Institute

In this session you will:

- Gain an understanding of the different types of sexually transmissible diseases found in Australia
- Learn about the modes of transmission of the different types of sexually transmissible diseases
- Increase your knowledge about the virulence and strains of the sexually transmissible diseases
- Understand the rate of sero-conversion from a needle stick exposure from a positive client for HIV, HBV and HCV

Completed on

03 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

Nurses need to remain up to date on Communicable Diseases. This quiz is based on the Australian Resource HIV, Viral Hepatitis, STIs: A Guide for Primary Care (4th Edition). This guide was overseen by an expert reference group comprised of general practitioners, nurses, and specialists, including epidemiology, immunology, hepatology, and gastroenterology specialists.

Cheryl Dezotti

Director of the Nursing CPD Institute
