

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

The acute setting- How do we manage diabetes as a co-morbidity?

Presenter Marija Sorvoja
of Diabetes Queensland

In this session you will:

- Understand why it is particularly important for well-controlled glucose levels?
- Understand what works in an acute care setting to manage glucose levels
- Understand what is considered when discharge planning and what the patient requires.

Completed on

07 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

Diabetes in the acute setting can be complicated yet, it is a time where well-controlled glucose levels are required.
