

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Pregnancy Guidelines 2018

Presenter The Nursing CPD Institute

In this session you will:

- Gain an overview of the rationale for the release of the Clinical Practice Guidelines for Pregnancy Care
- Acquire knowledge regarding routine and targeted maternal health tests
- Receive information on clinical assessments in late pregnancy
- Gain an awareness of recommendations and practice points for optimising pregnancy care in Australia

Completed on

22 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

Women receive antenatal care in community and hospital-based settings and see a range of health professionals. Effective models of antenatal care have a focus on the individual woman's needs and preferences, collaboration and continuity of care. These national Clinical Practice Guidelines on Pregnancy Care provide evidence-based recommendations to support high quality, safe antenatal care in all settings.

Cheryl Dezotti

Director of the Nursing CPD Institute
