

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Acute Stress Disorder & Posttraumatic Stress Disorder

Presenter The Nursing CPD Institute

In this session you will:

- Learn the key differences between Acute Stress Disorder and Post Traumatic Stress Disorder
- Gain information regarding the signs and symptoms of Acute Stress Disorder and Post Traumatic Stress Disorder
- Gain knowledge regarding assessment and intervention planning for these disorders
- Learn about the specific interventions for these disorders along with general considerations when caring for children and adolescents

Completed on

03 May 2019 (duration of 3 hour/s)

This equates to 3 CPD Hour/s (Continuing Professional Development)

REFLECTION:

As a nurse, I appreciate the impact that acute stress and posttraumatic stress disorder can have on an individual, their family and friends and the greater community. By completing this quiz you will learn about the specific conditions and the current recommendations for the treatment of acute stress and post-traumatic stress disorder in Australia.

The enclosed reference, The 2013 Australian guide for the Treatment of Acute Stress Disorder and Posttraumatic Stress Disorder is approved by the National Health and Medical Research Council and endorsed by the Royal Australian College of General Practitioners, The Royal Australian and New Zealand College of Psychiatrists and the Australian Psychological Society.

Cheryl Dezotti
