

# Certificate of Completion

New South Wales Ministry of Health Nursing and Midwifery Office certifies that

## Caleb Fellowes

on 31 March 2016

successfully completed the requirements of the e-learning resource:

### **Skye is back again**

In completing this module Caleb has completed two CPD hours in relation to:

- The key features underlying self-harming behaviours
- How to conduct a brief suicide risk assessment and the importance of a psychosocial assessment
- Referral pathways for young persons who self-harm
