

# *Certificate of Completion*

THIS CERTIFIES THAT  
***CALEB FELLOWES***

has participated in the following education session:

## **Syringe Driver Management**

Presenter The Nursing CPD Institute

In this session you will:

- Gain knowledge regarding equipment management guidelines for setting up, monitoring, and removing a syringe driver
- Receive information regarding the selection, preparation and maintenance of the syringe driver site
- Attain knowledge regarding commonly used drugs administered via syringe drivers
- Receive information to support your ability to troubleshoot and reduce potential adverse events associated with the administration of drugs via syringe drivers

Completed on

**03 May 2019 (duration of 1 hour/s)**

**This equates to 1 CPD Hour/s (Continuing Professional Development)**

### REFLECTION:

This session explores recommendations for the management of portable subcutaneous infusion devices (syringe drivers) based on Q Health Guidelines.
