### **Transferring knowledge to practice**

Presenter Siglinde Angerer

Clinical Nurse Consultant of Steps in Education

In this session, you will:

- Gain an understanding of the impact of the clinician's values and thoughts when supporting families
- Acquire knowledge about the importance of listening to the voices of the child and their parents/caregivers
- Gain an awareness of the need for reflection, clinical reasoning and judgement when supporting families
- Develop the ability to provide supportive non-judgemental guidance

Completed on

**16 April 2019 (duration of 1 hour/s)**

**This equates to 1 CPD Hour/s (Continuing Professional Development)**

#### REFLECTION:

In this session, you will explore the impact of your values, thoughts and beliefs when supporting families and children in their health so that you can take a broader view and work towards the provision of care that meets the family where they are at.
