- Acquire knowledge regarding ways of preventing eczema flare-ups
- Receive information regarding treatment approaches
- Gain an awareness of the need for evidence-based guidelines to be developed

Completed on

21 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

The information around the management of eczema has long been a source of frustration for many due to the inconsistent information that is available. Contrary to popular belief, eczema is not curable and so a uniformed approach to eczema management needs to be established.
