

Certificate of Completion

New South Wales Ministry of Health Nursing and Midwifery Office certifies that

Caleb Fellowes

on 31 March 2016

successfully completed the requirements of the e-learning resource:

Consent to treatment and associated legal issues

In completing this module Caleb has completed two CPD hours in relation to:

- Understanding when and to whom, relevant Guardianship and Mental Health Act legislation or a duty of care should be applied, within the health care setting
- The assessment of capacity to consent to, or refuse, treatment in the health care setting
- Engaging with patients who are dissatisfied with care and/or displaying aggressive behaviour
