Fire and Emergency Training

The main objectives in emergency planning are to ensure that everyone knows what to do in the event of an emergency and preparations for potential and unexpected incidents at the workplace are in place.

An understanding of emergency codes you may encounter in your workplace.
Classes of fire and how best to fight them and work with required fire emergency procedures.
The rules and guidelines for emergency evacuation of a workplace.
What you should do if you receive a bomb threat or suspicious mail and packages.
