

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:
Aetiology and Management of Enuresis

Presenter Sandra Ilett

Continence Nurse Specialist of Wide Bay Continence Service

In this session you will:

- Gain an understanding of the aetiology of Enuresis
- Review the strategies that can assist the child and family
- Understand the implications of enuresis on the child and their family
- Identify the resources available for use in the education of child and family surrounding enuresis

Completed on

20 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

The etiology of enuresis will be discussed and the management strategies will be highlighted. The resources available to assist in the nursing care and education of these children and parents/caregivers will be identified.
