

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Glaucoma

Presenter The Nursing CPD Institute

In this session you will:

- Gain an understanding of the pathophysiology and risk factors for Glaucoma
- Learn about the common tests used to diagnose Glaucoma
- Receive information regarding the different types of Glaucoma
- Gain knowledge regarding treatment options for Glaucoma

Completed on

26 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

Glaucoma is the leading cause of irreversible blindness worldwide. According to Glaucoma Australia, one in eight Australians over 80 will develop glaucoma. First degree relatives of glaucoma patients have a ten-fold increased risk of developing the disease. 50% of people with glaucoma in Australia are undiagnosed. The cost is expected to increase to \$4.3 billion by 2025. This session provides an overview of glaucoma, the different types and treatment options.
