

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Female and Male Biological Clocks - do they exist and is there a snooze button?

Presenter Denise Donati

Nurse Consultant of Fertility Solutions

In this session you will:

- Gain knowledge regarding the female 'biological clock' with emphasis on female age and fertility
- Attain information regarding the male 'biological clock' with emphasis on age and sperm quality
- Learn about variables that impact upon fertility
- Gain an understanding of the impact of the biological clock on fertility through an overview of related statistics

Completed on

26 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

In this session, both female and male biological clocks will be discussed and the subsequent impact on infertility will be highlighted.
