

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Why Public Health Matters

Presenter Dr Margaret Young

In this session, you will:

- Analyse global Cause of Death data as a means of considering some key public health concepts
- Consider the factors that contribute to differences between low and high- income country cause of death profiles
- Explore the principles of the epidemiologic transition
- Review the determinants of health as a framework for health and well-being

Completed on

07 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

In this session, we will review some of the most cost-effective health interventions around the world during the last century - all public health initiatives.
