

## *Certificate of Completion*

THIS CERTIFIES THAT  
**CALEB FELLOWES**

has participated in the following education session:

### **Larval Therapy: An alternative approach in complex wound management**

Presenter Anne Smith

Clinical Nurse Consultant of Royal Hobart Hospital

In this session you will:

- Gain an understanding how maggots are used in wound care in an acute hospital setting
- Review when maggots can be used
- Revise the education required for the patient to participate in this method of wound care management
- Evaluate the effectiveness of maggot therapy via the case studies discussed

Completed on

**14 April 2019 (duration of 1 hour/s)**

**This equates to 1 CPD Hour/s (Continuing Professional Development)**

#### REFLECTION:

In this presentation, we identify the use of maggots in wound care in the acute hospital setting.
