

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Why does the annual cycle of care matter in Diabetes?

Presenter Kristianne Jarman

Credentialed Diabetes Educator of Diabetes Queensland

In this session you will:

- Learn how to empower your patient using the Annual Cycle of Care
- Understand how to reduce the risk of complications utilising the Annual Cycle of Care
- Understand what the complications of diabetes are and how you can assist your patient to reduce their risk of developing them or delay the progression.

Completed on

08 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

The annual cycle of care is important in diabetes management, find out why your patient needs to know what this is and how it can empower them.
