

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Introduction to Mental Health Problems in Australia

Presenter Sue Walker
of The Nursing CPD Institute

In this session you will:

- Gain an understanding of what a mental illness is
- Explore the most common mental health illnesses in Australia
- Investigate the impact of mental illness and the broader society
- Discover the importance of early intervention and the role that mental health first aid knowledge can have

Completed on

23 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

In this webinar we will explore the definition of mental health and what constitutes a mental illness. We will discuss the most common mental health illnesses in Australia today and the impact of mental illness on the patient, their family and friends, and the health system in general.
