

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

**Administration of Medication to Children and the role of
compounding to enhance delivery.**

Presenter Christopher Hawe

Pharmacist of Coral Coast Pharmacies

In this session you will:

- Gain knowledge to support your understanding of the term 'pharmacy compounding'
- Discuss the issues that surround the administration of medication to children from dosing to compliance

- Explore how this process can be used to enhance the administration of medications to children
- Receive information regarding the safety and quality steps taken in a pharmacy compounding laboratory [Click here for printable instructions on how to attend a live webinar](#)

Completed on

10 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

In this session, we will discuss the merits of compounding medications to assist in administration to children.
