

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

A critical review, from the perspective of a nurse, of the conversations about Medication administration in health literature.

Presenter Julie Martyn PhD

Senior Lecturer of University of Souther Queensland

In this session you will:

- Appreciate the biases in the literature about medication administration
- Understand how to review literature to identify issues of research methodologies
- Acknowledge the specialised knowledge that nurses have in the field of medication administration
- Identify ways to contribute to a team approach to medication safety

Completed on

06 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

This webinar will explore the issue of medication safety issues and more to highlight the unique role that nurses have in medication management.

Cheryl Dezotti

Director of the Nursing CPD Institute
